What to include in your application packet.

•An audition recording

Every scholarship applicant must submit a recorded audition. We accept standard cassette tapes, standard VHS tapes, CD recordings, or videos uploaded to YouTube so long as we are provided with the correct web link. Your recording should include at least two of the scales listed as required for your session on the registration form. You should also include two pieces or excerpts demonstrating different tempi. Call the Berkeley office if you have any questions about this process. **Mark your name clearly on the tape.** The first round applications are due by March 15th with decisions made by March 31st; the second round deadline is April 15th with decisions made by April 30th; and the final deadline is May 15th with decisions made by May 31st. After May 31st, please call the office at 510-527-7500 for scholarship availability. Tapes are not returned.

•Application fee

The scholarship application fee is \$140 (\$40 registration fee and a deposit of \$100).

•Financial Documents

Please include a copy of the first page of your most recent Federal tax return and any other documentation that will help us assess your need for a scholarship.

NOTE: Two things need to be true before we can consider your scholarship application. You need to have submitted a registration form and your scholarship application needs to be complete, including all the items listed above. Feel free to mail or fax us the registration form in advance of the scholarship application; that way you will reserve your spot at camp. We recommend that you make a copy of the application, tape and/or CD, as things do occasionally go astray in the mail.
