Instructions: First register your camper either online or with the paper registration form. You cannot use this form to register your camper. Then complete this form for financial aid. We will consider scholarship applications in rounds; all completed applications received by the deadline will be considered in that round. If funds allow, we will schedule a 3rd round for late applicants: contact the office for information.

We cannot evaluate incomplete applications; be sure to include everything listed.

1) A scholarship application form: please fill this out completely.

2) An audition recording

Every scholarship applicant must submit a recorded audition. Your recording should include two or three level-appropriate scales and two short pieces or excerpts demonstrating different tempi and/or musical genre. **Campers should state their name and the piece of music they will be playing at the start of each recording.**

Our preferred method of submission is a **digital recording uploaded to the Cazadero google drive**. Contact emily@cazadero.org for access to the drive. If you prefer a different submission method, please contact the office.

Please label submissions with the camper's name and session.

3) Financial Documents/Proof of Income
