

## Concert CD, MP3, and Video Order Information from *Gap-CD*

All concerts at camp are recorded. Each camper receives a highlights album download in Mp3 format containing selections from their camp concerts. These highlights albums contain about a third of the music performed. The full length concerts can be ordered as a multi CD set or a complete Mp3 download containing all the music from your camper's concerts. Due to production time, each order will arrive in four to six weeks. Each order received will receive a BONUS VIDEO download of the entire session concerts.
