CAZADERO MUSIC CAMP WEEKEND RETREAT

Dear JumpStart Participant,

Welcome to JumpStart in Music! This is a basic information packet to give an overview of the JumpStart in Music Program.

Launched in 2003 to support music education in public schools - JumpStart in Music is a low-cost, high-impact version of our Summer Music Camp. JumpStart brings together public school students, and their music instructors, along with high school mentors and parent volunteers, for an action packed three-day immersion program at our camp during the school year.

Cazadero hosts seven JumpStart weekends in a typical year. Check our event calendar (<https://www.cazadero.org/event-calendar/>) for details.

All participants must register, please use the online form. <https://www.tfaforms.com/5030978>. Details for your particular JumpStart weekend will be provided by your music teacher.

Goals of the *JumpStart in Music* retreat:

- Give students an experience that will build their confidence as musicians.
- Provide students the opportunity to get to know each other outside the classroom.
- Improve the musicianship of students in just three days, in a fashion similar to Cazadero's one and two-week summer music camps.

Students, Staff, Chaperones, and Mentors - the Breakdown

- Our facility can handle up to 110 students for each retreat.
- Parent Chaperones need to be provided at a minimum ratio of 1 chaperone per 10 students. Chaperones are drawn from the pool of students' parents/guardians.
- High School mentors are recruited from a nearby high school music program and will have a minimum ratio of 1 mentor per 10 students.
- While at camp, the children are divided into groups of 10-12 students with the same gender identity and assigned to bunks. Each group is then paired with at least one mentor and chaperone.
- Each camper, mentor, chaperone and teacher attending the retreat must complete an application form.
- Music teachers are responsible for the programming for the weekend. Caz staff provide food, logistical support, and facility maintenance.

Transportation

There will be buses or carpools to take students to camp. Your music teacher will let you know the details.

- There is usually no return bus: parents need to know that they are invited to attend the Sunday concert to hear their children perform and then take them home afterward.

Health and Safety

There will be a volunteer Health Officer (typically one of the parent chaperones) on site who will manage all medications for the weekend.

Cazadero is committed to keeping all campers and staff safe and healthy. We will follow all recommended health guidelines from the state, county, and school district.

Contact Information During JumpStart Weekends

Emergency contact: the camp office, at **(707) 632-5159**, will be staffed during the day throughout the weekend and messages will be checked at regular hours thereafter. The Berkeley office is not open over the weekend, call the camp. The camp office phone is also available for outgoing calls in case of emergency.

DIRECTIONS TO CAZADERO MUSIC CAMP

We recommend that you use caution when relying on GPS or internet mapping programs as they may take you on a circuitous route through Sonoma County.

The easiest route to follow is:

From Highway 101 just north of Santa Rosa take the River Road/Guerneville exit and head WEST. Proceed through Guerneville, and continue West on Highway 116 to the town of Monte Rio. Bear right at the stop sign and continue another 2.5 miles and turn right onto Cazadero Highway. Follow Cazadero Highway for 5.5 miles. The camp is on the left side of the road, across the street from the Elim Grove Bakery and 1/2 mile **BEFORE** the town of Cazadero. Park in the lot and walk across the suspension bridge.

The camp address is:
5385 Cazadero Highway
Cazadero, CA 95421
